RE: Letter of Recommendation

Pinnacle Construction Group  
560 Fifth Street NW  
Suite 404  
Grand Rapids, MI 49504

To Whom It May Concern:

Metropolitan Hospital recently completed its' 13<sup>th</sup> family practice office building. To date it was the smoothest and most rewarding construction project we've completed. Pinnacle Construction was our partner and provided an element of teamwork that we were missing on previous projects.

Throughout the project communication was excellent and problem solving was a collaborative effort. As a result, we met our budget and scheduled completion. The occupancy date we set during preconstruction was never changed.

Pinnacle has proven themselves a quality construction company and a team player. We plan on using them on future projects.

Sincerely,

Jarrad Pitts  
Project Manager
