Dear Michael,

We would like to thank you, Greg, Tom, and everyone involved for a job well done. From the very beginning we felt we had picked the right man for the job, you and your "Group" never let us down. The ABC Construction Award the building won is something everyone should be very proud of.

Working with all of you the past eighteen months, has been a pleasurable experience and one we hope to repeat in the not too distant future.

Thanks again and we hope to see you soon.

Sincerely,

Gary Middleton
